About College:

Toshniwal Arts, Commerce and Science College, Sengaon Tq. Sengaon, Dist. Hingoli, was established under the wings of Shri Gajanan Shikshan Prasarak Mandal, Yeldari Camp Tq. Jintur Dist. Parbhani Maharashtra on 21st June 1993 with the motive to provide quality higher education to the peoples residing in rural and hilly region with lesser economic sources. The college is affiliated to Swami Ramanand Teerth Marathwada University, Nanded Maharashtra and running UG and PG courses under the faculty of Arts, Commerce and Science. The college is recognized under 2(F) and 12(B) section of UGC, New Delhi. Furthermore, the college has been re-accredited by NAAC with "B++" and has been certified by ISO 9001-2015. The College infrastructure includes two story building with separate facility for laboratory, library, ICT room, administrative office, common staff room, common girl's room etc. Women's hostels, Indoor sport facility are some of additional utilities provided to the students. Also, College takes care of students in their overall development through curricular as well as co-curricular activities and events organized by various.

About Conference:

The objective of the conference is to bring Life Scientists, researchers, educators, and professionals in all branches of Life Science to a common platform to explore and discuss the latest advancements in Life sciences and their diverse applications in various fields. The deliberations of the conference include the invited lectures by eminent Life Scientists/scholars from India and research paper presentations by the faculties of various universities, institutions & colleges, and the young researchers relevant to the theme. This will provide an in-depth analysis of the subject and update the knowledge of the participants from academic/research institutions.

Further, the conference intends to promote high standards in colleges by providing a forum for sharing their knowledge, experience, and research findings. The conference will be primarily devoted to the original research and expository articles that encourage communication between researchers and experts in the area of applications of Life Science.

About Hingoli:

Hingoli, one of the holy districts of Maharashtra state, came into existence on 01st May, 1999 with five blocks. This district has birth place of *Saint Shree Namdeva* born during 1270 AD at village *Narsi Namdev*, 12th *Jyotirlinga* of *Lord Mahadeva* at Aundh Nagnath, temple of *Lord Mallinath* at Shirad Shahapur and so on. The district will shine on world map as Govt of India cleared way for establishment of LASER Interferometry Gravitational wave Observatory (LIGO).

How To Reach

By Train	Nearest Railway station is Hingoli (30 Km) and Parbhani (70 Km)
By Air	Chh. Sambhaji Nagar Airport (200 Km), Nanded Airport (100 Km)
By Road	From Chh. Sambhaji Nagar or Parbhani via Jintur, From Nanded via Hingoli From Washim via Risod.

Dear Sir/Madam,

We are delighted and privileged to organize the "Planetary Biodiversity Mission India (PBMS-2025)" on 10th March 2025 at the Department of Zoology, Toshniwal Arts, Commerce, and Science College, Sengaon, Dist. Hingoli, Maharashtra. This platform for attendees to share their research findings and engage in scientific discussions enables researchers to freely discuss, debate, and defend their results for the benefit of all life scientists stakeholders through oral presentations of their innovative research papers. We look forward to your participation in the National Conference.

Conference Themes:

The PBMS-2025 welcomes contributions related to all traditional as well as modern areas of life science. Abstracts of original and unpublished work are invited for a conference that will cover a wide area of topics related to recent developments in Life Science and its applications, with a focus on the following themes, which include, but are not limited to:

- **Agriculture**
- **Climate change**
- **Challenges like pandemics**
- **Health**
- **Documenting India's heritage**
- **Other Related Areas**

Important Dates:

Submission of Abstract/ research papers: 5th March 2025

Acceptance of Abstract: 8th March 2025

Last date for Registration: 9th March 2025

Call for Papers:

Original, unpublished and plagiarism-free research articles are invited for publication and presentation at the conference, selected and reviewed papers will be published in UGC-approved Online and peer-reviewed journals.

Guidelines for Abstract/ Full Length Paper submission of article:

The abstract of the research paper for oral/poster presentation should be typed in MS-Word with Times New Roman font size 12, 1.5-line spacing, and should not exceed 300 words. Complete the registration process in all respects, and the abstract should be sent through email to mathstasc@gmail.com before the due dates. Figures should be inserted in JPEG/ TIFF format with dpi more than 300. Tables should be included with proper formatting. The reference style should be as per the journal style.

Registration Fees Details:

Participation with publication	INR 1000	Participation without publication	INR 600
--------------------------------	----------	-----------------------------------	---------

Registration fees include the registration kit, high tea and lunch during the conference only. The participants can participate in oral/poster presentation by submitting the abstract of their paper through registration link
